Neither Biogen nor Biogen Switzerland paid additional consideration to the Undertaking Parties in connection with the execution and delivery of the Irrevocable Undertakings. For a description of the Irrevocable Undertakings, see Item 4 below, which description is incorporated herein by reference in response to this Item 3.

Item 4. Purpose of Transaction

Item 3 is incorporated by reference in this Item 4 as if fully set forth herein.

In connection with Biogen Switzerland's and Bidco's entry into the Implementation Agreement, the Undertaking Parties entered into the Irrevocable Undertakings. The purpose of the Irrevocable Undertakings is to facilitate the consummation of the Scheme (as defined below).

Implementation Agreement

On March 4, 2019, Biogen Switzerland and Bidco entered into an Implementation Agreement (the "**Implementation Agreement**") with Issuer pursuant to which Bidco has agreed to acquire, by means of a scheme of arrangement (the "**Scheme**") under Part 26 of the UK Companies Act 2006, the entire issued and to be issued share capital of the Issuer for \$25.50 per NST Share in cash (the "**Consideration**").

Under the Scheme, all outstanding stock options, restricted shares and restricted stock units awarded pursuant to the Issuer's 2017 Equity Incentive Plan will be cancelled and cease to be outstanding upon the Effective Time (as defined in the Implementation Agreement), and the holders will be entitled to receive the cash consideration payable by Bidco to Scheme Shareholders (as defined in the Implementation Agreement) less any applicable exercise or purchase price.

The Implementation Agreement contains representations and warranties from the Issuer, Biogen Switzerland and Bidco, each with respect to its business, and each party has agreed to customary pre-closing covenants, including obligations on the Issuer to conduct its business in the ordinary course of business and to refrain from taking specified actions without the consent of Biogen Switzerland. The Implementation Agreement has been approved by the board of directors or similar governing body of each of the Issuer, Biogen Switzerland and Bidco. The Scheme is subject to customary closing conditions for a transaction of this nature, including court approval, approval of the Scheme by a majority in number of the Scheme Shareholders, representing not less than 75% in value of the Scheme Shares held by those Scheme Shareholders, present and voting, either in person or by proxy, at the Court Meeting (as defined in the Implementation Agreement), passing of the resolutions by the requisite majority at the General Meeting (as defined in the Implementation Agreement), and applicable regulatory approvals by the relevant authorities in the United States and Germany.

The Implementation Agreement contains certain customary termination rights for each of Biogen Switzerland and the Issuer. The Issuer will be required to pay a termination fee of \$8,773,855 ("**Termination Fee**") if the Implementation Agreement is terminated, subject to certain exceptions and qualifications:

(i) by the Issuer, pursuant to its right to terminate the Implementation Agreement in the context of a Superior Proposal (as defined in the Implementation Agreement);

(ii) by Biogen Switzerland, pursuant to its right to terminate the Implementation Agreement in the context of (x) the Issuer's notification to Biogen Switzerland or public statement that it no longer recommends a vote in favor of the transactions contemplated by the Implementation Agreement, (y) the Issuer's board of directors effects a Company Adverse Change Recommendation (as defined in the Implementation Agreement) or (z) the Issuer fails to reaffirm its recommendation in favor of the transactions contemplated by the Implementation Agreement in certain circumstances; or

(iii) (x) (1) when a condition for the benefit of Biogen Switzerland becoming incapable of satisfaction by September 4, 2019 (the "**Long Stop Date**"), (2) after a notification or public statement by the Issuer's board of directors that it will no longer seek the sanctioning of the Scheme or (3) due to a breach by the Issuer of any of its representations and warranties in the Implementation Agreement or failure by the Issuer to perform any covenant or obligation in the Implementation Agreement required on the part of the Issuer such that certain closing conditions cannot be satisfied by the Long Stop Date, (y) any person shall have publicly disclosed a *bona fide* Acquisition Proposal (as defined in the Implementation Agreement) prior to such termination which Acquisition Proposal has not been publicly withdrawn and (z) within twelve months of such termination, an Acquisition Proposal is announced and is completed anytime thereafter.

The Implementation Agreement has been included as an exhibit to this Schedule 13D to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about Biogen, Biogen Switzerland, Bidco, the Issuer or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Implementation Agreement were made only for purposes

of that agreement and as of specific dates, were solely for the benefit of the parties to the Implementation Agreement, may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Implementation Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Biogen's and Biogen Switzerland's shareholders and the Issuer's shareholders and other investors are not third-party beneficiaries under the Implementation Agreement and should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of Biogen, Biogen Switzerland, Bidco, the Issuer or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Implementation Agreement, which subsequent information may or may not be fully reflected in public disclosures by Biogen and the Issuer.

Irrevocable Undertakings

In connection with Biogen Switzerland's, Bidco's and the Issuer's entry into the Implementation Agreement, the Specified NST Shareholders entered into the Irrevocable Undertakings.

Subject to the terms and conditions set forth in the Irrevocable Undertakings, each Specified NST Shareholder has agreed, among other things, to vote or procure votes in favor of the resolutions relating to the Scheme at the Meetings (as defined in the Implementation Agreement) (or in the event that the Acquisition (as defined in the Implementation Agreement) is implemented by way of an Offer (as defined in the Implementation Agreement), to accept or procure acceptance of such Offer) in respect of their entire beneficial holdings.

The Irrevocable Undertakings also restrict each Specified NST Shareholder from, among other things:

(a) selling, transferring or otherwise disposing of any NST Shares other than pursuant to the Scheme;

(b) accepting any other offer in respect of the shares or securities referred to in clause (a) above; or

(c) entering into any agreement or arrangement or incur any obligation (i) to do any of the acts referred to in clauses (a) or (b) above in relation to, or operating by reference to, the NST Shares, or (ii) which, in relation to the NST Shares, would or might restrict or impede such Specified NST Shareholder complying with the terms of such NST Shareholder's Irrevocable Undertakings.

The Irrevocable Undertakings will cease to be binding in certain circumstances, including if:

(a) the Scheme lapses or is withdrawn in accordance with its terms and Biogen Switzerland or Bidco publicly confirms that it does not intend to proceed with the Acquisition or to implement the Acquisition by way of an Offer or otherwise;

(b) the Scheme or Offer does not become effective by the Long Stop Date; or

(c) the Implementation Agreement is terminated in accordance with its terms.

The foregoing descriptions of the Implementation Agreement and the Irrevocable Undertakings are qualified in their entirety by reference to the full text of such agreements. The Implementation Agreement and the forms of Irrevocable Undertakings are filed as Exhibits 1.02, 1.03 and 1.04 hereto and are incorporated herein by reference.

Except as set forth in this Item 4, the Implementation Agreement and the Irrevocable Undertakings, none of the Reporting Persons have any plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D of the Exchange Act.

Item 5. Interest in Securities of the Issuer

The responses of Biogen and Biogen Switzerland to rows (7) through (13) of the cover page to this Schedule 13D and Item 3 are incorporated by reference in this Item 5 as if fully set forth herein.

(a) Other than those NST Shares that may be deemed to be beneficially owned by Biogen and Biogen Switzerland in connection with the Irrevocable Undertakings, Biogen and Biogen Switzerland have not acquired and do not beneficially own any NST Shares. Neither Biogen nor Biogen Switzerland is entitled to any rights as a shareholder of the Issuer as to the NST Shares covered by the Irrevocable Undertakings, except as expressly provided in the Irrevocable Undertakings. This Schedule 13D shall not be construed as an admission by Biogen or Biogen Switzerland that Biogen or Biogen Switzerland, as applicable, is, for the purposes of Section 13(d) or Section 13(g) of the Act, the beneficial owner of any NST Shares.

(b) Except as set forth in this Item 5, no Reporting Person and, to the best of the Reporting Persons' knowledge no person listed on Schedule A beneficially owns any NST Shares or has the right to acquire any NST Shares.

(c) Except as set forth in this Item 5, no Reporting Person, and to the best of the Reporting Persons' knowledge, no persons listed in Schedule A has effected any transactions in the NST Shares during the past sixty (60) days.

(d) No Reporting Person and, to the best of the Reporting Persons' knowledge, no person listed on Schedule A (other than the Undertaking Parties) has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the NST Shares.

(e) Inapplicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Item 3, Item 4 and Item 5 and the agreements filed as Exhibits 1.02, 1.03 and 1.04 are incorporated by reference in this Item 6 as if fully set forth herein.

Except as set forth in this Item 6, to the best of the Reporting Persons' knowledge, there are no contracts, arrangements, understandings or relationships (legal or otherwise), among Biogen and Biogen Switzerland or any of the persons listed in Schedule A, or between such persons and any person with respect to any securities of the Issuer (including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements), including, but not limited to, transfer or voting of any of the Ordinary Shares, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss or the giving or withholding of proxies.
